

The Ultimate

# Pool Water Treatment

Powerful Algaecide - Strong Water Clarifier - Chlorine Booster

Chlorine  
Salt Cell  
and  
Non-Chlorine  
Pools

Only 4 oz (120 ml) per week  
per 10,000 gallons (40,000 litres)

## Pooltec® 3-in-1 Pool Water Treatment

- Continuous prevention of green, yellow and black algae.  
*Kills most algae in 4 to 24 hours.*
- Creates ultra-clear pool water.
- Boosts chlorine's effectiveness up to 6X.
- Reduces chlorine use by 25% to 65% and more.
- Improves salt cell's chlorine output and effectiveness.
- Effective even at excessive phosphate levels - above 2,500 ppb.

*Superior results when compared to sodium bromide,  
copper, silver, enzyme and phosphate remover treatments.*
