## Pooltec® 3-in-1 Pool Treatment

### 1. PRODUCT AND COMPANY IDENTIFICATION

|                              |   |
|------------------------------|---|
| Product Code:                | #30064  |
| Product Name:                | Pooltec® 3-in-1 Pool Treatment                      |
| Recommended use:             | Swimming pool water treatment                       |
| Restrictions on use or sale: | None  |
| Company Name:                | EasyCare Products USA, div. of McGreal Company Inc. |
|                              | Phone Number:                                       |
|                              | (559) 299-7660                                      |
|                              | (800) 289-7660 (US only)                            |
| Website:                     | www.easycarewater.com                               |
| Emergency Contact:           | Debbie Saldivar / Marvin J. Rezac                   |
|                              | Email: customer services<br>@easycarewater.com      |

### 2. HAZARDS IDENTIFICATION

Acute Toxicity: Oral, Category 4

Aquatic Toxicity (Acute), Category 1

GHS Regulations:

H302- Harful if swallowed.

H400 - Very toxic to aquatic life.

GHS Precaution Phrases:

P264 - Wash hands thoroughly after handling.

P270 - Do not drink, eat or smoke when using this product.

P273 - Avoid release to the environment.

GHS Response Phrases:

P301 + 312 - IF SWALLOWED: Call a POISON CENTER or doctor if you fell unwell.

P330 - Rinse mouth.

P391 - Collect spillage.

GHS Storage and Disposal

P501 - Dispose of contents / container to regulatory requirements.

Phrases:

Hazardous Rating System:

OSHA Regulatory Status:

This material is classified as hazardous under OSHA regulations.

Potential Health Effects

Chronic: None

(Acute and Chronic):

Inhalation:

Prolonged inhalation may be harmful. Inhalation may be harmful.

Skin Contact:

Prolonged or repeated skin contact may cause irritation.

Eye Contact:

Contact may cause eye irritation.

Ingestion:

Harmful if swallowed. If medical advise is needed, have product container or label at hand.

# SAFETY DATA SHEET

Revision 06/26/2017

## Pooltec® 3-in-1 Pool Treatment

### 3. COMPOSITION / INFORMATION ON INGREDIENTS

| CAS #      | Hazardous Components (Chemical Name)  | Concentration | RTECS #   |
|------------|---|---------------|-----------|
| 31512-74-0 | Poly[oxy-1,2-ethanediyl(dimethyliminio)-1,2-ethanediyl(dimethyliminio)-1,2-ethanediyl dichloride] | 30.0 %        | TR1650000 |
| 7732-18-5  | Water   | 70.0 %        | ZC0110000 |

### 4. FIRST AID MEASURES

#### Emergency and First Aid

##### Procedures:

IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing. If breathing is difficult, give oxygen. IF NOT BREATHING, call 911 or and ambulance, then give artificial respiration.

##### In Case of Skin Contact:

Wash with soap and water. Take off contaminated clothing and wash before re-use. If skin irritation or rash occurs, seek medical advice / attention.

##### In Case of Eye Contact:

Hold eyelids apart and flush eyes with plenty of water. After initial flushings, remove any contact lenses and continue flushing for at least 15 minutes. Have eyes examined and tested by medical personnel.

##### In Case of Ingestion:

If swallowed, do NOT induce vomiting. Give victim a glass of water or milk. Call a physician or poison control center immediately. Never give anything by mouth to an unconscious person.

##### Note to Physician:

Treat symptomatically and supportively.

### 5. FIRE FIGHTING MEASURES

##### Flash Pt:

> 210 F (100.0 C)

Method Used: Cleveland Open Cup

##### Explosive Limits:

LEL: No data

UEL: Not data

##### Autoignition Pt:

NA

##### Suitable Extinguishing Media:

Use extinguishing agent suitable for type of surrounding fire.

##### Fire Fighting Instructions:

As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA / NIOSH (approved or equivalent), and full protective gear. Material will not burn.

##### Flammable Properties and

No data available.

##### Hazards:

### 6. ACCIDENTAL RELEASE MEASURES

##### Environmental Precautions:

Avoid release to the environment. This product is toxic to fish and aquatic organisms. Do not discharge into effluent containing this product into lakes, streams, ponds or estaries, oceans or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharging. Do no discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance call your State Water Board Authority or Regional Office of the EPA.

##### Steps To Be Taken In Case Material Is Released Or Spilled:

Use proper personal protective equipment as indicated in Section 8.

Spills / Leaks: Absorb spill with inert material (e.g. vermiculite, sand or earth), then place in suitable container.

### 7. HANDLING AND STORAGE

|                              |  |  |  |
|------------------------------|--|--|--|
| <b>Handling Precautions:</b> | No special handling procedures are required. Do not ingest. Avoid contact with eyes, skin or clothing. Avoid release to the environment. Keep container closed when not in use.            |  |  |
| <b>Storage Precautions:</b>  | No special storage requirements. Storage temperature - ambient (avoid freezing). Store in accordance with local regulations. Do not reuse container, rinse bottle and offer for recycling. |  |  |

### 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

|  |   |   |         |         |
|--|---|---|---------|---------|
| 31512-74-0                               | Poly[oxy-1,2-ethanediyl(dimethylimino)<br>-1,2-ethanediyl(dimethylimino)<br>1, 2-ethanediyl dichloride] | No data   | No data | No data |
| 7732-18-5                                | Water   | No data   | No data | No data |
| Respiratory Equipment<br>(Specify Type): |   | Respirator protection is not normally required.                             |         |         |
| Eye Protection:                          |   | Safety glasses.   |         |         |
| Protective Gloves:                       |   | Normally not required.  |         |         |
| Other Protective Clothing:               |   | Clothes to prevent skin contact. Protective garments not normally required. |         |         |
| Engineering Controls:                    |   | There are no special ventilation requirements.                              |         |         |

### 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                    |   |               |
|------------------------------------|---|---------------|
| Appearance and Odor                | Blue color liquid. Mild odor.                     |               |
| Melting Point:                     | No data.  |               |
| Boiling Point:                     | 210 F   |               |
| Auto Ignition Point:               | N/A   |               |
| Flash Point:                       | > 210 F (100.0 C) Method Used: Cleveland Open Cup |               |
| Explosive Limits:                  | LEL: No data.                                     | UEL: No data. |
| Specific Gravity (water = 1)       | 1.030   |               |
| Vapor Pressure (vs. Air or mm Hg): | No data.  |               |
| Evaporation Rate:                  | No data.  |               |
| Solubility in Water:               | Soluble   |               |
| Viscosity:                         | < 125 CPS   |               |
| pH:                                | 6.0 - 7.0   |               |
| Percent Volatile:                  | No data.  |               |

### 10.0 STABILITY AND REACTIVITY

|                                       |                    |                      |
|---------------------------------------|--------------------|----------------------|
| Conditions To Avoid - Instability:    | No data available. |                      |
| Incompatibility - Materials to Avoid: | None.              |                      |
| Hazardous Decomposition or            | None.              |                      |
| Byproducts:                           |                    |                      |
| Possibility of Hazardous - Reactions: | Will occur [ ]     | Will not occur [ X ] |
| Conditions to Avoid - Hazardous       | No data available. |                      |
| Reactions:                            |                    |                      |

### 13.0 DISPOSAL CONSIDERATIONS

|                               |   |
|-------------------------------|---|
| <b>Waste Disposal Method:</b> | Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. US EPA guidelines for the classification determination are listed in 40 CFR Parts 261. Additionally, waste generators must consult state and local hazardous waste regulations to ensure complete and accurate classification.<br>RCRA P-Series: None listed.<br>RCRA U-Series: None listed.<br>Discarded product, as sold, would not be considered a RCRA Hazardous Waste. Empty containers retain product residue (liquid and/or vapor) and can be dangerous. |
|-------------------------------|---|

### 14.0 TRANSPORT INFORMATION

|                            |  |
|----------------------------|--|
| <b>GHS Classification:</b> | Acute toxicity: Oral, Category 4 - Warning! Harmful if swallowed.<br>Aquatic Toxicity (Acute), Category 1 - Warning! Very toxic to aquatic life. |
|----------------------------|--|

**Land Transport (US DOT):**

|                                  |  |
|----------------------------------|--|
| <b>DOT Proper Shipping Name:</b> | Not regulated as a hazardous material. |
| <b>DOT Hazardous Class:</b>      | None.                                  |
| <b>UN/NA Number:</b>             | None.                                  |

**Land Transport (Canadian TDG):**

|                           |  |
|---------------------------|--|
| <b>TGD Shipping Name:</b> | Not regulated as a hazardous material. |
|---------------------------|--|

**Land Transport (European ADR/RID):**

|                               |  |
|-------------------------------|--|
| <b>ADR/RID Shipping Name:</b> | Not regulated as a hazardous material. |
|-------------------------------|--|

**Air Transport (ICAO/IATA):**

|                                 |                                  |
|---------------------------------|----------------------------------|
| <b>ICAO/IATA Shipping Name:</b> | Non-hazardous for air transport. |
|---------------------------------|----------------------------------|

### 15.0 REGULATORY INFORMATION

**EPA SARA (Superfund Amendments and Reauthorization Act of 1986) List**
